Dear Mr. Bagde:

This letter serves as formal notification to Caltrans, FHWA, and FTA for SBCAG 2004 FTIP Amendment #12, an Administrative Amendment. Pursuant to the authority delegated under the 2004 SBCAG FTIP, minor modifications to the 2004 FTIP will normally be handled as Administrative Amendments and may be approved at the discretion of the SBCAG Executive Director. I have given my approval to this amendment that makes the following changes to the project described below, consistent with the requirements in 23 CFR 450:

- City of Santa Barbara, Mission Street Bikeway at US Highway 101 – Move \$80,000 in Right of Way funds to PE (PPNO: 1196, MPO ID: SBCITY9); Add \$20,000 in local funds to Right of Way for FY 04-05.

In adopting this amendment, SBCAG finds that this project is conformity-exempt and that the change remains consistent with the original 2004 FTIP conformity analysis. SBCAG finds the 2004 FTIP to be in continuing conformance with the State Implementation Plan for Santa Barbara County.

The 2004 FTIP remains financially constrained and no change is required in the financial plan for the FTIP.

If you have any questions regarding this amendment, please contact Karin Hodin of my staff at (805) 961-8912 (email: khodin@sbcbag.org).

Sincerely,

Jim Kemp
Executive Director
